

I am a resident of Seymour Indiana and I am getting calls from people that show up on my caller id no name and no number. These calls start as early as 5:00 AM and they sometimes come as late as Midnight, and as many as 20-30 per day. I don't care who it is a tela-marketer or a bank, if I ned something I'll call them and I don't want them calling me. I hope you tell the banks no on the no call exemption in Indiana. If they want to advertise there are other media out there that wants their business and I'll call or go in to the bank if I need them.
